

JORY started to take [REDACTED] to his new church down in Cincinnati. He began to pick them up on Sunday mornings and bring them home later that same evening. Eventually JORY asked [REDACTED] if he could take [REDACTED] on Saturdays and stay overnight at a hotel then go to church on Sunday morning. [REDACTED] allowed it.

[REDACTED] was either eight or nine years old when he first started staying in hotels with JORY. They stayed at a Red Roof Inn in the Mason area one of the first times. [REDACTED] said that [REDACTED] and JORY would sit naked on a bed in a circle and massage each others privates. JORY always wanted them all to sleep in the same bed naked. If they didn't JORY would get sad.

JORY would take [REDACTED] on trips to different states. [REDACTED] remembers going to Georgia, New York, Indiana and Florida. [REDACTED] remembers staying at different hotels on the way to Florida. At every hotel they stayed JORY would suck their private parts. JORY also had [REDACTED] and [REDACTED] suck his private part. [REDACTED] remembers white stuff coming out of JORY'S private part. JORY put the white stuff on [REDACTED] butt. JORY would squeeze [REDACTED] butt cheeks and tried to stick his private in [REDACTED] butt. JORY stopped because it would not fit. [REDACTED] saw JORY try to put his private part in [REDACTED] butt also. It would not fit so he stopped. [REDACTED] stated that it was always just him, [REDACTED] and JORY that stayed in the hotels together.

AMY showed [REDACTED] a drawing of a boy and asked [REDACTED] to point to where the private parts were. [REDACTED] pointed to the penis and buttocks area. AMY asked [REDACTED] if he knew what a child molester was. [REDACTED] said it was a person that murders children. The interview was ended and [REDACTED] was taken out to his mother.

TFO DONALD MINNICH observed a video copy of the interview on January 12, 2016.
